Dated Hassan the 2nd ay 1930

From

S ABDUL WAJID Esq B A
Deputy Commissioner, Hassan District

To

R [illegible] Esq , B A , B L ,
General Secretary to Government,
B a n g a l o r e

Sir,

I have the honor to forward herewith for favour of orders of Government a petition dated 28th April 1930 addressed to me by one Karim Sait of Hassan on behalf of the Sub Agent of the Burmah Oil Company, complaining against the inordinate delay on the part of the Hassan Municipal Council in granting him a site for installing a Kerb-side Petrol pump at Hassan His previous petition having been forwarded to the President of the Municipal Council for needful action, the President has replied to me to say that the subject matter has not been decided by the Municipal Council and is being delayed [illegible] with many others A copy of his letter No 3 P C 29-30 dated 16th April 1930 is enclosed for reference

2 The site asked for by the Burmah Oil Company for installing the Kerb-side pump appears to be the one on the side of the road to the west of the Octroi Office near the Kattina area at the entrance of the town There is already a Kerb-side pump installed by the Standard Oil Company in the locality and so far as I am informed there is no objection to grant the site asked for by the Burmah Oil Company, but is of no use for any other purpose One of the Agents from Bombay has come and is telling me that he could not understand the [illegible] Secretariat on the part of the Council

p t o

/ill not only affect the reputation of the State outside but will also cause loss to the Council and deprive the citizen of the advantage of the check the establishment of a rival firm will exercise on monopoly

As the Company are pressing for early grant of the site, I submit the case to Government and solicit the favour of the reverse orders in the matter As stated above, there is no objection to grant the site asked for for the purpose intended

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Hooghly District

Sir,

Mr RR 45/17

With reference to the Secretariat D O letter No L 1009/M L 17-29-41 dated 17-7-1940, enquiring as to whether another Ferb Side Petrol Pump was necessary so near the place where one had been installed already, I have the honour to state that there are two Companies, Shell Petrol Co, and Burmah Petrol Co, doing business at Hassan They are independent of each other Still to avoid competition, the have combined and formed themselves as the Dutch Shell Distributing Company One of the two units combined in this company has installed the Ferbside Pump but it is not working and it seems that it cannot work unless the other unit is also provided with a similar installation of the Perbside I understand that the price of petrol at the Pump will be two annas less per gallon than that sold in cans I should think that it will be inequitable to grant this facility to one Company and not to the other and as such I am of opinion that another Pump for the B O C Petrol is necessary I may add that the advantage accruing from the installation of the one pump will be lost to the public unless the other pump is also sanctioned one cannot work without the other

I have the honour to be,

Sir

Adverting to the correspondence ending ~~with~~ your letter No L 2181/11 17-29-46 dated the 9th September 1930 in re grant of a site to the Burmah Oil Company for the installation of another Kerbside Petrol Pump at Hassan, I have the honor to state that I have sent a copy of your letter under reference to the President of the Municipal Council for necessary action

2 I may however reiterate that the question is not likely to be disposed of early The Municipal Council have referred the matter to the Managing Committee for their consideration and they have been deferring it for one reason or the other, and from all appearances, I think that they are not keen about it Mr C I Kirby, Inspector of the Burmah Oil Company represented to me again in the matter on the 17th instant, and I have been getting reminders from the Head Office of the Company from Bombay also in this behalf As I have no alternative and as the Company are complaining that their business is greatly affected causing considerable inconveniences to the public also, I propose granting permission to them to instal the Kerbside pump on a portion of the margin of the Bangalore - Bangalore Provincial road near the Travellers' Bungalow, which is a property of Government and over which the Municipality cannot have any manner of right or control under Section 50 (2) of the Municipal Regulation

and I am accordingly taking action in consultation with the Executive Engineer Hassan Division in that behalf

I have the honor to be,

S ABDUL WAJID Esq B A,
Deputy Commissioner Hassan District

To

R RANGA RAO, Esq , B A , B L ,
General Secretary to Government,
Bangalore

Sir

In continuation of my letter No C 1156-29 dated 21st Sept '30 in re grant of a site for the installation of a Kerbside Petrol Pump at Hassan, I have the honor to forward herewith another reminder petition dated 6th October 1930 from Mr Mahamad Wali Sahib of Arsikere and to request the favour of early orders of Government in the matter

So far, the Hassan Town Municipal Council have not decided anything on the subject The Managing Committee of the Council to whom it had been referred by the Municipal Council for opinion seems to have selected some other site, which appears to be a private holding

I have the honor to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,
HASSAN DISTRICT
